## About Authentic BBQ

At Hillbilly Jack's BBQ we cook authentic low and slow BBQ, this is the only way to achieve the competition style BBQ. For instance some of our meat take upwards of 20 hours to reach optimal taste and tenderness. We try hard to have all items available on our menu however selling out of a certain meat can happen, we hope you understand.

Please note with slow cooked BBQ meat exhibits a pink smoke ring, some people may think their meat is undercooked on parts of it, but this is just the smoke ring from being slowly cooked.

***Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food borne illness, especially if you have certain medical conditions.***
